Alexandria, VA 22313-1450

**RENEWED PETITION UNDER 37 CFR 1.137(b)  
UNINTENTIONAL ABANDONMENT**

Pursuant to 37 C.F.R. § 1.137(b), Applicant (Assignee) hereby renews its request for revival of the above-identified application due to unintentional circumstances. According to a Petition Decision dated 31 January 2011, a previous petition was DISMISSED for failing to (1) submit a proper Response, and (2) properly make of record the assignee. *See* Petition Decision, p. 1, 31 January 2011.

In support of this Request, Applicant files contemporaneously herewith, as required by 37 C.F.R. § 1.137(b), the following documents:

- **Statement** that the entire delay was unintentional;
- **Response** to the most recent Office Action (dated 2007-02-06); and
- **Replacement Sheets** in response to an Objection to the Drawings.

Applicant has previously filed, as indicated in the Petition Decision dated 31 January 2011, a petition fee as required by 37 C.F.R. § 1.17(m).

The Petition Decision dated 31 January 2011 indicated reconsideration must be filed “within two (2) months” from the date of the decision. Applicant petitions for a one (1) month

extension of time as allowed under 37 C.F.R. § 1.136(a) thereby extending the deadline for reply to at least 29 April 2011.

Applicant is not required to file a terminal disclaimer under 37 C.F.R. § 1.137(d)(1).

Applicant notes that 37 CFR 3.73(b)(ii) indicates that an Assignee may become properly “of record” by providing a “statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office.”

Accordingly, Applicant respectfully directs the USPTO to 2 recorded assignments, one for each of the 2 inventors of the patent application, as follows:

- the first assignment recorded on 02/08/2004 at **Reel/Frame 014973/0476**; and
- the second assignment recorded on 06/10/2004 at **Reel/Frame 014714/0398**.

Prompt attention to this matter is greatly appreciated. If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 50-5483. Please do not hesitate to contact the undersigned if any question or concern arises. Thank you.

Respectfully submitted,

/JOHN CHANDLER MELINE, REG NO 58280/
